

Marketing & Communication (B2B)

Cognitive Design Systems (CDS) is a newly established tech startup based in the center of Toulouse, France, the core of the aerospace industry's innovation and talent. Our company is a multicultural organization made of talented engineers brought together by a common mission, to develop the best all-in-one generative design platform.

We are looking for a Marketing and Communication specialist to join our growing team, the ideal candidate would have prior experience in marketing, promoting brands/companies assets and being familiar with social media and network.

At CDS, we believe that creativity and ingenuity are essential to evolve beyond process constraints in bringing designs to life, and therefore would seek a team player sharing our values.

Role & Responsibilities

- Design and advertise our products and services on various platform
- Creating promotional marketing materials, as well as contents to support our sales team
- Communicate with the press and on social networks

Requirements

- Prior experience in **marketing and communication**
- Must be fluent in English, French is not mandatory
- Excellent verbal and written communication skills
- Familiar with marketing tools, and creation software (Adobe)
- Interested about: 3D printing, design, manufacturing and engineering
